Mrs. Brucely Is Ready For Surgery

Mrs. Brucely has not been feeling well the past several months. She went to her doctor for an exam and the doctor suggested she have some tests. After several tests, the doctor concluded that Carline has uterine cancer.

Pastor Brucely has no greater partner in his life and ministry than his wife. His love for Carline shines. Pastor Brucely has a thriving ministry. He oversees four churches, two of which have Christian schools which we sponsor. He is a key figure in his area. Country families and community leaders turn to Pastor Brucely for help and guidance. Through it all, Carline stands by his side.

In February, we wrote our supporters by email asking for immediate help. Your response was great! We quickly sent Pastor Brucely funds to begin preparing his wife to have surgery. Carline's doctor said the cancer is contained and having the surgery soon is the best approach. Carline's mother died of cancer.

Carline went to the hospital. The doctors there asked her to retake the tests that she had taken over the past several months so they could have an up to date reading on her condition. They want to know that Carline is ready to have the surgery. In the process of getting these tests, they found that her blood pressure and her

blood sugar are higher than normal. The doctors prescribed medication to get those back to normal. Carline's surgery is scheduled for March 12.

Please keep Carline in your daily prayers. Naturally, she is feeling anxious about surgery, but she is confident the Lord is with her. Thank you for making this work possible!

Partnership In Missions

Youth Retreat An Alternative To Carnival

On February 13, Haiti celebrated Mardi Gras. It is the last day of the carnival season devoted to indulging the flesh. It is also a pitfall for young people who want to live a righteous life.

Michelle Remy, the daughter of Pastor and Mrs. Remy, organized a youth retreat. They had 63 young people and 12 leaders from the Cazeau church and school. They went to a facility away from carnival where they fellowshiped, had worship services and rededicated their lives to Christ. These are young people who are making a difference for the Lord in Haiti!

Ti-Fre Needs \$2,050 To Move In His New House

Thank you for the special gifts you sent for Ti-Fre's retirement. So far, we have received \$1,950. *Ti-Fre and his wife need \$4,000 to settle into their new home.* They moved from the mission campus in January and are staying with their sons. Your special gift for Ti-Fre and his wife will help them get settled and have extra funds for living expenses. Ti-Fre has been a blessing to our ministry family. Your gifts will be a blessing to him!

Sponsored Children Excel In School

Recently, our sponsorship crew went to Joineau to deliver gifts that sponsors sent their sponsored children. Boys and girls who receive a gift will have their photo taken to send back to the sponsor.

When Michael (*right*) heard they were there, he went and asked them to take his photo too. He had something special to tell his sponsor. He is now the top student in his second grade class! Junior got a picture of Michael holding his report card.

Before Michael was sponsored, he was not able to go to school. Today, he is thriving! Sponsorship is preparing Michael to make a difference for Christ in Haiti.
