## Can One Sponsor Make A Difference?

Today, Burgie is a beautiful young woman who the Lord can use to accomplish great things. Burgie gave Beverly a beautiful card as a way to express how thankful and grateful she is for her faithful support and encouragement. In the card, Burgie wrote, *"I just want to thank you with all my heart for everything you have done in my life. May God bless you protect you and give you all desires of your heart. I love you and thank you more and more. Ps. 37:4 Dr. Burgie B. to Beverly J."*

It is amazing the impact that one sponsorship can have in someone's life, a family and a community. If you want to make a difference, consider sponsoring a child in Haiti.

Thank you for your gracious support of our Founders' Challenge Fund. It is the heart of our operational support in Haiti. This year, we have received \$22,070. We need \$50,000 in order to fully accomplish what we planned to do this year. We are ready, but we need your support to move forward. Thank you.

Yes they can! The impact of one sponsor on the life of a child in Haiti can be incredible. Let us tell you about Burgie Bellevue.

When Burgie was ready to begin grade school nearly twenty years ago, she needed a sponsor. Beverly Jansma, our Medical Team Coordinator, decided to sponsor her from the Cazeau school. Beverly sponsored Burgie all the way through high school. Her faithful support made it possible for Burgie to graduate and receive a solid Christian education. It was also an inspiration for Burgie to dedicate herself to a life of service.

*During the September Team last month, Burgie returned to the mission campus to tell us that she had graduated from medical school in the Dominican Republic and is now a medical doctor!* Burgie is working at a local hospital in Cazeau and giving back to her community and her people. Burgie explained that one of her relatives living in the States was able to fund her medical school. She was quick to note that her grade school education created the foundation she needed to achieve her dream of being a doctor. At Mission To Haiti, we believe Haiti will be changed by Haitians.

Sponsorship is \$35 a month. Find a child who needs a sponsor at [missiontohaiti.org](http://missiontohaiti.org)

# Partnership In Missions

## Team Members Made A Difference This Summer

Between holding clinics at the schools and finishing Charly's new home, the teams have been busy this summer. We still have much to do. Join us on a team this fall or winter.

## Getting The Job Done On The Field

Pictured below is Boss Chrisner installing the pump on the new well at Joineau. During the September Team, he was able to redig the well and get the pump working for the school and community. Thank you for meeting this crucial need.

We received \$4,200 to rebuild the preschool building at Ti Goave. We have been giving Pastor Brucey funds as he needs them. When it is ready, we will post pictures of the new building. Thank you for giving so graciously.

Mirlaine our nurse has begun her Nurse Practitioner schooling. We received \$2,450 and we are giving her funds as she needs them. Thank you for helping her. Mirlaine's training will be an increased blessing for the sponsored children.

**We have a new need.** Pastor Jean Claude Thervil in Port de Paix needs a new large generator. His old one which powers the school, church and Gospel radio station broke down and cannot be repaired any more. He has some funds, but he needs another \$3,000 to buy the new unit. Your support will help greatly!

## Team Dates

Oct 29–Nov 3, 2018  
November 5–10, 2018  
November 12–17, 2018  
January 19–26, 2019  
March 23–27, 2019
