

The VISION

"Where there is no vision, the people perish ..." Proverbs 29:18

The Monthly Newsletter of Mission To Haiti

September 2017/Number 453

Help Us Reach 1,000 Children Sponsored

Recently, we received a call from a long-time friend and supporter who was looking for an opportunity to help in a significant way. He sponsored 30 children! Is the Lord calling you to do something significant?

School is beginning in Haiti this month and the children are excited to begin a new year. Every year that a child is able to continue in school means that this child has a greater opportunity of completing his education. The more children that we can sponsor, the more that children will become success stories.

Right now, we are sponsoring 748 children. These children are receiving the care and

attention that comes with being a sponsored child. We love helping children, but we are burdened to do more! The schools need more help in order to grow.

Therefore, we are setting a goal to sponsor 1,000 children. By God's grace we can reach this goal. With the new school year at hand, there is no better time than now to consider touching the lives of children who need your help. Thank you.

Sponsorship is \$35 a month. You can sponsor a child at www.missiontohaiti.org

Partnership In Missions

Help Us Reach 1,000 Children Sponsored

When we were leaving one of the schools, we saw a group of children standing by the well. Their parents cannot afford to send them to school, so they stand around with nothing to do and no where to go. If they had a sponsor, they would be in class learning to read, memorizing Bible verses and eating wholesome meals.

Help us reach 1,000 children sponsored! Sponsor one of these precious children. Tell your family, friends and church how their prayers and support will change the life of a boy or girl in Haiti!

School Uniforms

Did you send \$30 for your child's uniforms and school supplies? School is starting. You can give your gift on our website today at www.missiontohaiti.org. Thank you for caring!

Founders' Challenge At \$26,685

Pino and his workmen were able to install one of the new generators in July. They made all the connections and had it running great by week's end. Because of the silencing stroud, it runs quietly and efficiently. Pino is going to Haiti this month to begin construction on the building for the clinic generator.

Your offerings for the Founders' Challenge support the Operational Work in Haiti. We truly appreciate everyone who has given. Steadily, we are pressing toward our goal of \$110,000. Thank you for giving graciously and sacrificially.

Team Dates
