

The VISION

"Where there is no vision, the people perish ..." Proverbs 29:18

The Monthly Newsletter of Mission To Haiti

April 2016/Number 436

Our Founders' Challenge

Dear Friends, Ann and I want to thank you for your steadfast support for Mission To Haiti. It is because of your faithfulness to this ministry that we have been able to serve for more than 35 years!

In January 1981, we made a commitment to go into full-time ministry. I resigned my position as pastor of a local church in Miami, and Mission To Haiti

was born. Now at 80, we are still serving full-time in the work.

Recently, one of our co-workers died in Haiti. He began working with us as an interpreter in those early days. He told us, "If Mission To Haiti had not come to Haiti, I would not have become a Christian." We thank the Lord that many people have been saved through this ministry.

Over the past 35 years, God has blessed us greatly. In 1987 we purchased property near the Port-au-Prince airport. Since then, we have developed it into a center for ministry. It has a mission house, staff quarters, sponsorship office and medical clinic. We power the mission campus with two large generators and a city electrical system. The mission

campus houses all of our equipment on the field. It is continually used by our Haitian partners, mission staff, and by the teams when they are in Haiti.

The three-acre campus is debt free. The Lord has placed us in a strategic area where we can minister and continue to grow this work.

Most of the offerings that Mission To Haiti receives are designated for specific ministries like Sponsorship. However, as the ministry in Haiti grows, so do the Operating

Expenses. *This year, we will need \$100,000 to operate fully on the field. We need your help to raise these funds.*

Ann and I are asking 20 of our friends to help us raise \$100,000 by giving \$5,000 each.

This will allow us to reach our goal for 2016. As you give, your special gift will be put to use right away. As the goal is reached, we will let you know how much we have received.

Thank you for giving. We look forward to hearing from you.

Love, Bill and Ann

Partnership In Missions

Sarah Delma Receives Treatment

Sarah Delma, Pastor Brucely's daughter, has been suffering from a neurological issue which could not be solved in Haiti. She was invited to come to Miami for treatment. The doctors at the The Neurology Group in Miami are working with her to help her. Recently, she had a 24-hour EEG to test for seizures. We are waiting for the results. Please pray that the answer to Sarah's problem can be found and she will be healed. Thank you.

July Mission Team

Our next Mission Team is planned for July 9–16. We are excited to have this team. We invite you to become a part of this trip to Haiti.

We are planning to have several projects. The main project will be a Youth Conference. We are inviting 50 young people to participate. The group will be looking at character studies from the Bible. These young people are at a pivotal place in their lives, and we want them to make the decision to serve the Lord.

We also need to renovate the old mission house. It is presently being used to accommodate our Haitian partners, but the bathrooms, plumbing and cabinets need to be rebuilt. Please fill out a team application on the website to begin. Thank you for joining the team.

Important Updates From The Field

Thank you for your help to repair the pump at Gallette Chambon. Pictured here is the well driller pumping water for the children. He had to get back into the well to repair the broken parts. Many families rely on this pump for clean water. Thank you for giving.

Thank you for your offering of \$500 to cover April's support for the Vocational Schools. The classes continued to move forward teaching young people a valuable skill. They need your continued monthly support. Your gifts are greatly appreciated.

With this newsletter, you will receive a statement of your sponsorship payments from January through March. If any monthly payments of \$35 are due or if your annual payment of \$420 is due, the statement will show that. If you have any questions please let us know. Thank you for giving your sponsorship support.
