Our Founders' Challenge 2018

Dear Friends, when Mission To Haiti first began, Ann and I were invited to visit churches at Mosquito Bay in the north of Haiti. The community was remote and the people needed to hear the Gospel. We were there to seek the Lord's will as to where we should serve. We began working with Pastor Jean Claude Thervil in the city of Port de Paix. Today,

Pastor Thervil has a large church and Christian school and a radio station that broadcasts the Gospel to thousands of people in the outlying areas.

Those early days were not easy. Working in Haiti was a struggle. Sometimes we would have to drive through the night to reach villages to hold special meetings. When we arrived, we would stay

with the pastor or in native homes. We could not carry all of our food, so we would have to rely on the local pastors and the church members to provide meals each day. Many times we got sick and were exhausted because of the hard conditions. But through it all the Lord taught us patience and endurance and prepared us for the work we are doing in Haiti today.

Today, we work with 13 local churches and Christian schools and two vocational schools. We sponsor almost 800 children and impact 4,000 with Christian education and meals at school. Our campus clinic focuses on the health needs of our sponsored children. As the Lord provides, we are expanding our medical efforts even more.

At the heart of our activity in Haiti is our Operating Expenses. The mission campus, offices, vehicles, fuel, equipment, personnel and more keep the ministry moving forward. However, most of the offerings we receive are designated for ministries like Sponsorship.

This year, we need \$50,000 to operate fully on the field. We need your help to raise these funds. Large and small offerings will help us reach our goal for 2018.

As you give to Our Founders' Challenge we will let you know how much we have received and will put your offerings to work. Thank you for giving!

Love, Bill and Ann

Happy Easter

Partnership In Missions

Mrs. Brucely Had Her Surgery And She Is Doing Well

Thank you for praying and giving for Mrs. Brucely's surgery. Her operation was very successful. We spoke with Mrs. Brucely and she is feeling better every day. Her post operative visit to the doctor went well. She will continue to rest at home until she fully recovers. Thank you for making her surgery possible!

Sponsor A Child With Your Tax Refund

If you want to do something meaningful with your tax refund this year, we suggest that you sponsor a child in Haiti. *Sponsorship is \$420 for the year.* Your investment in the life of a child will mean the world to one of these deserving boys or girls.

Pictured to the left is Shanayda. Her father is a farmer and her mother is a vendor. She and her parents live in a house made of sticks and mud. At night, they sleep on the floor. Her favorite subject is drawing and she loves playing with dolls.

You can sponsor Shanayda and other children by going to our website. Sponsoring a child this year will have a tremendous impact for years to come!

Easter Offering For Our Haitian Partners

Our best resource on the mission field is our Haitian Partners and their families who serve with us. We would like to give each family \$100 for Easter. Your special gift for our Partners will be greatly appreciated. Thank you for giving for Ti-Fre's retirement! Your gifts allowed him to get settled into his new home.

Take A Trip To Haiti This Summer

We have teams planned from now until the end of the year. This month, we plan to build a home for one of our workers. In June, the group plans to work at the schools and hold Bible school. In July, we plan to serve at the Vocational Schools and refurbish the old mission house. During every trip, we will spend time with our sponsored children. Contact us to find out more about these teams.

Team Dates

April 14–21, 2018
June 1–7, 2018
July 21–28, 2018
September 15–22, 2018
November 1–5, 2018
