

The VISION

"Where there is no vision, the people perish ..." Proverbs 29:18

The Monthly Newsletter of Mission To Haiti

March 2016/Number 435

Bearing One Another's Burdens

Zach Dieken (*below*) is a Highway Patrolman in Iowa. He feels the Lord's call to full-time ministry. Zach preached a dynamic Gospel message in the first service at the new church at Ti Goave. Paige Van Wyk (*below*) wants to become a doctor. She helped Beverly Jansma all week examine children at Ti Goave and Delatte.

God can use you to lift the burdens of the Haitian people. When you sponsor a child, give and pray, you fulfill the law of Christ. Thank you for helping.

Helping people carry the weight of their burdens should be a chief concern of every Christian. In Galatians, Paul urged the church to support their fellow believers who were in need. *"Bear ye one another's burdens, and so fulfil the law of Christ."* Galatians 6:2. The January Team had the privilege to apply this profound truth. At each opportunity, the team met needs and lifted burdens in Christ's name.

Jeannie Clubine came on the team to fit eyeglasses for those who have trouble seeing and reading well. She was trained on how to fit glasses when modern equipment is not available. Pictured above is Jeannie helping Pastor Bruceley test his eyesight.

Sponsoring a child is the best way to help Haiti. You can sponsor a child at www.missiontohaiti.org

Partnership In Missions

Nutrition Program Combats Food Crisis In Haiti

Chris and Bonnie visited the Delmas school recently and happened to arrive at lunch time. The children were getting ready to eat their meal of rice covered with sauce, vegetables, and chicken. One of the benefits of the Sponsorship Program is that it provides meals for children at school.

Today, Haiti is facing its worst food crisis since 2001.* Drought and the devaluation of the Haitian currency have made it very difficult for families to provide for themselves. The Nutrition Program is combating this crisis, but we need additional help to feed all of the children in the schools. Your special help at this critical time will provide children with wholesome meals. Your gift for food makes the difference. Thank you.

Haiti faces worst food insecurity crisis since 2001 (The Miami Herald, February 9, 2016)

Important Updates From The Field

We have now received offerings for the Vocational Schools through March! Thank you for your support. This allows the vocational classes to continue moving forward. *Would you be willing to give \$500 for April? Would you give \$1,500 for three months?* Your support is helping young people learn a life-long trade that will provide for themselves and honor the Lord.

We need \$300 to repair the pump at Gallette Chambon. The aging water pump broke and needs to be fixed. The church, school, and community all depend on this pump for clean water. Your gift is appreciated.

If you would you like to receive our monthly newsletter by email, send us your email address at info@missiontohaiti.org and we will add you to our email list. Follow Mission To Haiti on Facebook for updates.
