## Christopher And Bonnie Webb

Our prayers go with Chris and Bonnie as they make the transition from Mission To Haiti to college to further their education.

Chris and Bonnie will finish with Mission To Haiti at the end of March. In their place, Chelsea Nealey will be working with the Sponsorship Program. Chelsea has already begun to learn the system, so that when Chris and Bonnie finish, the transition will be seamless.

Several months ago when Chris and Bonnie shared with us their desire to prepare for future ministry, we could see the hand of God working in their lives. We do not know where this new journey will take them, but we pray that the Lord will use this opportunity to accomplish something wonderful through them.

*Dear Friends,*

*So much has happened this last year that we would love to share with you. In July, Bonnie and I had the privilege to help oversee, with some friends, a youth leadership conference for fifty young men and women in one of our Haitian schools. These young people were so hungry to hear the Word of God and absorbed the six messages that were shared. Many of these young people have never had the opportunity to learn about spiritual leadership. In November, Bonnie and I had the privilege to travel to North Carolina to speak in a church with individuals who are burdened to go to Haiti with us this March. We had an amazing time sharing about the culture of Haiti and the opportunity they have to come and be a blessing. Bonnie and I have many stories and memories of being able to serve.*

*Two years ago the Lord began to work in our hearts to start Christian schools and a college on the mission field one day. Since then I have been praying for a clear direction from the Lord to improve my skills to do the work which He has laid on my heart. In September I felt the call to return to Pensacola Christian College to further my education. This is the college where Bonnie and I first met in the fall of 2010.*

*I have been approved to get my master's degree in Educational Leadership. Bonnie and I will be moving back to Pensacola this summer to prepare for my first semester of my master's program. This course will take me three or more years to complete. I want to ask everyone to keep Bonnie and me in your prayers as we take this leap of faith.*

*We want to personally thank everyone for supporting us in Mission To Haiti. This year marks our sixth year with the organization. When I was a child I had the opportunity to serve Mission To Haiti alongside my grandfather and uncle. It has been a privilege to serve the ministry and our supporters. We look forward to what the Lord will allow us to do in the upcoming years. I want to leave you with a verse that has been on my heart these past months. "Now therefore stand and see this great thing, which the Lord will do before your eyes." 1 Samuel 12:16*

*Sincerely in Christ,  
Chris and Bonnie Webb*

# Partnership In Missions

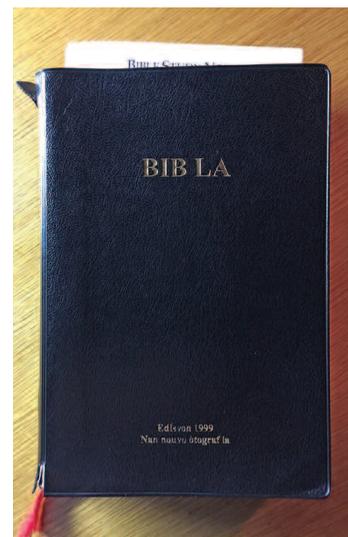

## Chelsea Nealey Working In The Sponsorship Program

Chelsea Nealey has begun working in the Sponsorship Program as Chris and Bonnie prepare to transition to Pensacola Christian College.

In many ways, Chelsea is no stranger to Haiti. She first went to Haiti as a small child with her family. Since then, she has been there many times, helping her dad, Bill Jr., in Sponsorship and with the teams.

Chelsea will be traveling to the field, helping our Haitian partners collect updates. She will also be processing those updates from our state-side office in Miami.

Chelsea is excited to serve. If you need to contact her regarding your sponsored child, you can email her at [cnealey@missiontohaiti.org](mailto:cnealey@missiontohaiti.org) or call her at 305-456-7777. Thank you.

## We Need Creole Bibles

This month, we would like to give Bibles to 50 men who will be attending the men's conference during the March Team. A Creole Bible costs \$12. Fifty Bibles would cost \$600. Your gift will put God's Word in the hands of men who are eager to know the truth. Thank you for giving the Word of Life!

## March Team To Work At Joineau

Lord willing, the March Team will be leaving on March 25 to spend a week in Haiti ministering in several communities where we serve. The team is planning to hold a one-day conference for 50 men in the area of Ti Goave. Pastor Brucey has invited men from outlying churches who desire strong, biblical training. The team is also planning to distribute food in several communities who need the help. Our Haitian partners just reported that Haiti is projected to have food shortages this spring. It is because Hurricane Matthew ruined so many crops. These food distributions are more important than ever. The team will finish the week by painting the Joineau church and school. The new paint will transform this important facility into attractive buildings that will draw children and families. Please keep the March Team in your daily prayers. Thank you.
