Founders' Challenge Continues **\$55,455**

We are over half way there to reaching our goal of \$100,000!

Thank you for giving to the Founders' Challenge. We need your help to finish. We are asking 20 of our friends to give an offering of \$5,000 each to help pay for the Operating Expenses for 2016. *We need to reach our goal by October 31st.* Any gifts that you send for the Founders' Challenge will be used for the Operating Expenses of this ministry. Thank you for your gracious support!

We had a wonderful summer in Haiti! Your contributions to the Founders' Challenge have allowed us to stay busy working and serving with our Haitian partners. Mirlaine (pictured above) spends most of the summer preparing the clinic for the new school year. However, this does not stop our sponsored children from getting sick and needing help. She and our Haitian doctor saw a number of chil-

dren with a variety of ailments. It has been very hot and dry in Haiti this year which have made conditions very difficult.

While the clinic crew was seeing children, Tim and Carlos (right) installed new fans in the clinic at the mission campus. This will help cool things down when the clinic crew and teams are working there. It is an important step in getting the medical

clinic fully functional. As the Lord brings us new children and families, it opens the door for us to draw them into the Sponsorship Program. They receive benefits that the program provides. A great way to draw them in is through Bible School.

In July, the Bible School group (*right*) held VBS for scores of children. They took a tap-tap bus to get to the church which got everyone prepped and ready to go. As the week progressed, more and more children came. At the end of the week, nine children accepted Christ!

Your gifts for the Founders' Challenge allow us to reach children for Christ. Sponsoring a child allows us to equip these young people to change Haiti for Christ!

Important Updates

Pump at Bonnette

Thank you for your gifts to replace this pump that broke. The workmen are in the process of buying the parts they need and installing everything. Thank you for helping!

Tradesmen Needed

We need plumbers and carpenters to install sinks, toilets and cabinets in the Old Mission House. If you would like to help us complete this work, please let us know.

January Team

We are planning to have a mission team January 14–21, 2017. We plan to have a medical team and other projects. Please complete a team application online at missiontohaiti.org
