Building A Home For Charly

Joe and Wendy Jones and friends from Bethany Community Church gave offerings to build this new home. Jim Ingersoll, a contractor from Plantation Baptist Church, came to oversee the project. We appreciate their faithfulness. This home will stand as a testimony to God's provision.

Jesus knows what it means to be poor. In Matthew 8:20 Jesus said, "...the Son of man hath not where to lay his head." Jesus went on to say, "...freely ye have received, freely give." We are depending on your generous support. Thank you for giving!

Affordable housing is a world-wide issue. In Haiti, land is very expensive. The cost to rent a small house will take most of a working man's salary. This is the predicament where Charly found himself.

Charly has been working with us for several years. He is originally from Les Cayes in the south of Haiti. He came to Cazeau to find work.

Because he does not own any property in the area, he and his family have to rent a small house at a high price.

Junior saw their great dilemma. He decided to give Charly a piece of property which he owned so that Charly could have his own home. It was an incredible gift! Junior's sacrifice allowed Charly and his family to finally become established.

Sponsorship is \$35 a month. You can sponsor a child at www.missiontohaiti.org

Partnership In Missions

Help Us Reach The Goal Of \$50,000

Pictured to the right is Pino on a high ladder changing a bulb in one of our property lights. Pino is our Campus Property Manager, but there is so much more he does. He repairs our vehicles and equipment. He oversees our improvement projects inside and outside the mission campus. And he manages our full-time construction crew. Pino's work allows the American teams and Haitian workers to continue without delays.

Recently, we renewed the license plates and registrations on our two Toyotas for the year. The cost was over \$500. Serving in Haiti is expensive.

Our Founders' Challenge offerings cover these operating expenses. *We need to reach our goal of \$50,000 by October. In order to do this, we need \$8,000 a month. Prayerfully consider what the Lord would have you give. Your gifts make the difference!*

Your Support Is Bringing Children To Christ

The other day, Suzanne, our Clinic Supervisor, messaged us. The clinic crew was working at the Cotin school and Clifford, one of our sponsored children accepted Christ! This is the heart of the Sponsorship Program: children being saved. Your faithful support is crucial to seeing souls saved. As you give and pray, lives are changed!

8 Day Team Fee Lowered To \$600

We have lowered our team fee for an 8-day mission team to \$600. We have reallocated some of our field expenses so that we can make the team experience as affordable as possible.

We have a number of projects that are waiting for team members to fulfill. We are in the process of repairing the Campus Mission House and it is important that we have carpenters, plumbers and electricians to come help. Our schools have asked for training for their teachers. We need Christian educators who can come to Haiti and lead workshops on improving teaching skills.

Most of all, mission teams provide the opportunity to meet your sponsored child. In April, Jim Ingersoll spent time with his sponsored girl, Saintilene. Go to our website to learn more about how you and your group can get involved.
