## Chris And Bonnie Webb

As Bonnie and I begin the new year, we ask that you prayerfully consider our support. We know that the Lord has called us to serve. Your financial gifts will allow us to work and minister in the country of Haiti. Time will continue to reveal the good that is being accomplished through your prayers and support.

Mission To Haiti is a non-profit organization, and your gifts are tax deductible. When you give, we are able to do more for the work in Haiti. Thank you for your help. Please visit our website at [missiontohaiti.org](http://missiontohaiti.org)

Dear Friends,

I want to thank you for your prayers and support for 2012. Serving in Haiti has been transforming for me. I know that God is doing great things through the ministry of Mission To Haiti.

Sponsored children are receiving an education, nutritious meals, and health care. Children who graduate from school have a promising future.

On December 29<sup>th</sup>, Bonnie and I were married. We had an amazing wedding celebrated with family and friends. While dating, Bonnie and I dedicated our lives to serving as missionaries to the country of Haiti. Since January, Bonnie has been serving in the office as the sponsorship secretary. She is working diligently to get information and updates sent to the sponsors. Together we are dedicated to the work on the mission field.

*Our next Mission Team will be April 13 - 20*

# Partnership In Missions

## Serving On The Mission Field

Mission To Haiti is impacting the lives of many poor people. Recently Chris had the opportunity to visit with the family of a newborn. The little girl's name is Helena. When she was born, she looked healthy, but within a month, she took a turn for the worse. We found that she was not getting enough nutrition from her mother's milk. Since that time Chris has been providing baby formula to the family. During the last couple of months, Helena has improved dramatically. She still has a long way to go, but she is getting better. Please keep little Helena in your prayers.

Chris and Bonnie have dedicated their lives to serving on the mission field. Your financial gifts for them will bless you and the people of Haiti. You can become partners with them through your support. Sponsoring a child to attend school is one of the best ways to help the Haitian people. Thank you for giving for the work in Haiti.

## Your Gifts Are Greatly Appreciated

The opportunity to serve has never been greater. Through your support, the literacy rate is increasing and the health of the children is getting better. We need your financial help to administrate the program on the mission field. We employ 25 people in Haiti. About half are full-time. *We need additional funds for salaries and transportation.* Workers are going to school sites on a regular basis to take care of the needs of the sponsored children. Thank you for your faithful support of Mission To Haiti.

*Above: Chris holds Helena during a visit to the home. She has made a tremendous improvement since we first saw her last fall. Helena's parents are very poor and struggle to provide for the family. Please keep them in your prayers.*

*Right: Chris and Junior visit the home of some sponsored children from Joineau to get needed updates.*
