

# The VISION

*"Where there is no vision, the people perish ..." Proverbs 29:18*

*The Monthly Newsletter of Mission To Haiti*

March 2014/Number 411

## Happy And Healthy

While the January Team was building the Bin Houses at Tigoave, the ladies (*above*) put together gift packages to give to children and families. Everyone loved receiving their gifts. There are 4,000 children at our 13 sponsored schools. It is our goal that every child has a sponsor and they receive the benefits that only sponsorship can give. It is your faithfulness that makes this ministry possible.

Children who receive help to attend school are most often happy and healthy. However, there are children who do not have the privilege to go to school. They miss the opportunity to receive an education, nutritious meals and medical help.

Recently, we were asked to follow up on a family in the village of Delatte. The family is desperately poor. We heard that one of the children was suffering

from rickets. Rickets is a childhood bone disease caused by extreme vitamin deficiency. Although it is rare in industrialized nations, it is still common in developing countries. Bill Jr. brought our medical team to intervene, but by the time they arrived at the village, the child had died.

Your sponsorship makes the difference. In January, we took pictures of many children who need a sponsor. You can help them. Sponsorship is \$35 a month or \$420 a year. Thank you for giving.

You will find more children who need a sponsor on our website at [www.missiontohaiti.org](http://www.missiontohaiti.org)

# Partnership In Missions

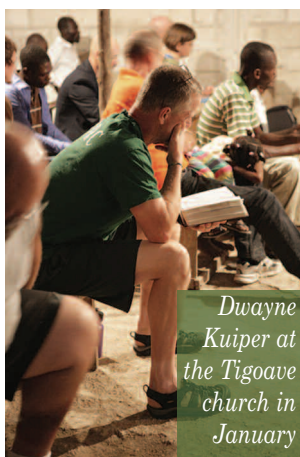

## Medical Help Critical

Our clinic and Haitian medical staff provide much needed care for our sponsored children. When children need to be hospitalized, we are blessed to partner with King's Hospital. Recently Suzanne, our clinic supervisor, gave us an itemized bill from King's Hospital for the month. The bill was for children who were treated at the hospital. The bill came to \$540. We are able to help because of your sponsorship payment that includes \$5 for medical help. Last month, Michena DeClasse (above with her sister and Bill Jr.) was able to have surgery for a bone deformity. Your help is greatly appreciated.

## Pastor Brucely Delma

Pastor Brucely had a bad traffic accident. His truck was damaged and a passenger, Daphney, suffered a broken leg. Daphney is expecting a baby soon. We are helping Pastor Brucely repair his truck. We made arrangements for the delivery at King's Hospital. Thank you for your prayers and support.

Dwayne Kuiper at the Tigoave church in January

## The Gospel Is Preached

Pastor Jean Claude Thervil sent us a report of his ministry in Port-de-Paix. He wrote, "Today we served hot meals to 450 prisoners and 40 policemen at the local jail. The Gideons distributed Bibles while we served food. The Gospel was preached and God's love was manifested." Pastor Thervil has an active church and school. He has a radio station where he broadcasts his Gospel sermons to the outlying villages.

## Food For Families

Families ask us for food on a regular basis. In January, the team gave food to dozens of families in Tigoave (Debra Ten Clay above). You can provide food to a family in need for \$25. Food is a perfect gift for your sponsored child and family. You can give to food for families at [missiontohaiti.org](http://missiontohaiti.org)
