Maintenance Is Important

We want to thank the team for their hard work and dedication. Thank you for making this ministry possible through your prayers and gracious support.

Right now, the team bus needs to have the engine repaired. The head gaskets and radiator need to be replaced. The bus is a valuable tool that we use for all the groups. Team members in June are planning to do the work. We estimate that the cost of the repair work will be \$2,000. Thank you for helping us to serve in Haiti.

While the March VBS team was holding Bible school, the maintenance team was busy at the Mission Campus. They did some much-needed painting. The Campus at Cazeau is Mission To Haiti's field headquarters. It provides a place for the teams to live and serve. The team painted the dining room, the kitchen and Bill and Ann's room. They did a beautiful job and everything turned out great.

Pictured above are the young people who served with the March maintenance team. Pastor Nathan Kocurek led the group. Maintaining the facilities is an important part of serving in Haiti. When the Mission House, generators, vehicles and equipment are working well, it allows us to devote more time to ministry. Families are helped, the Gospel is preached, and people are saved.

Our next team will be June 7 - 14. Please keep the June Team in your prayers.

Partnership In Missions

New Bathrooms For Our Haitian Workers

The March construction team built new bathroom facilities for our Haitian workers. The team did a great job. The bathrooms will be used by our workers and the sponsored children who come to the Campus. Pino Giunta (*below*) is our property manager and he oversees the projects. Pino and Esther are missionaries with Mission To Haiti. We appreciate your support for them.

Clifford Hanham

Clifford Hanham, one of our faithful board members, went home to be with the Lord April 2nd. Cliff was a pastor and missionary. As a young couple, Cliff and Ruth and their family served as missionaries in Cuba. They established a Bible school to train young people for the ministry. When Fidel Castro took power, they were forced to leave the country. The Hanhams moved to Miami and began ministering among the Cuban exiles. During this time, Cliff served on our Board of Directors. He was a great asset to the ministry. Cliff was 87. Ruth passed away two years ago. Cliff and Ruth were Bill Jr.'s in-laws. We miss them dearly.

Ministry Updates

Pastor Brucely had a serious automobile accident recently. His truck was damaged and a passenger, Daphne, was injured. Daphne was expecting a baby at the time. Because of your help, we were able to get the truck repaired. We also helped Daphne with the cost of her delivery. She gave birth to a beautiful healthy girl.

In April, we reported on Archely Chery Julien, the young boy with a tumor under his arm. Archely has been diagnosed with Hodgkin's Lymphoma. We ask for your prayers and God's direction for treatment.
