

# The VISION

"Where there is no vision, the people perish ..." Proverbs 29:18

The Monthly Newsletter of Mission To Haiti

December 2014/Number 420

## We Need Your Help To Finish The Year

### How You Can Help Us Finish the Year

- Complete your sponsorship for the year. Please let us know if you need information on your offerings. Sponsorship is \$35 a month.

- Special offerings for Food For Schools will help greatly. Many are sponsoring food on a recurring basis. You can give on the website at [missiontohaiti.org](http://missiontohaiti.org)

- A special year-end offering will help us finish 2014 with all accounts balanced.

*Thank you in advance for your gracious help.*

- Please keep our staff and workers in your prayers as we help children and reach them for Jesus Christ.

Because of your prayers and support, 2014 has been one of the best years for the ministry of Mission To Haiti. Almost one thousand children are being sponsored. As they finish school, they are taking their place in society. Together, we can transform Haiti one child at a time. We are now sponsoring children in 15 schools.

We were privileged to have a dental team come to Haiti in October. A steady stream of children came

to clinic to receive fillings and dental care. Dr. Chad Brown, Dr. Shawn Peterson and their crews worked long hours to see that many children were helped.

Most Haitian children never see a dentist. Your sponsorship offerings are now making it possible for your sponsored child to receive some dental care. The program is not completely established, but it is well on its way. We appreciate everyone who made the dental team possible.

We are preparing for two mission teams in January. They plan to build a new church building at Ti-Goave. Please pray for the teams.

*We wish you a Merry Christmas and a Happy New Year*

# Partnership In Missions

## Chris And His Crew Give 5,000 Pounds Of Food

Chris Webb, along with team members, bought and packaged 5,000 pounds of food for hungry families. The beans and rice were packaged into 20 pound allotments. This is enough to provide food for a family for a week.

Mission To Haiti has distributed more than 770,000 pounds of food to needy families. The cost is about \$1 a pound. Our current goal is to distribute a million pounds.

Through the help of our team members and the generous support of our friends to this ministry, we are able to help those in need.

Haitians who immigrated to the United States are now returning to help reach their people for Christ. We were happy to have Badwet Saint Velus (pictured in the middle) with the team. He was a special blessing.

## Canada Came To Help

For many years, Canadians have supported the work and ministry of Mission To Haiti. It is always with great appreciation that we welcome our friends from Canada to help in this ministry. Case and Derek Overzet are from Ingersoll, Ontario. Their family are dairy farmers. They came to Haiti with the team in October. Case and Derek helped in a variety of projects including some needed repairs at our caretaker's house. We thank our Canadian friends who support this work in Haiti.

## Power Of The Gospel

There is no greater power to transform Haiti than the preaching of the Gospel of Jesus Christ. When you sponsor, you open the door for your child to hear the Gospel and be saved. When you give, you become an instrument of the Gospel.
