"Go Ye Into All The World"

Christ's mandate in Mark 16:15 is to go into all the world and preach the gospel. In January, fifty-three team members came to Haiti to carry out this Great Commission. Two teams came back-to-back in order to begin the construction of a new church building at Ti-Goave. The project took a year to plan and raise funds. Special prayer and preparations were made so that everything would be ready for the teams when they arrived.

The first team arrived on Saturday the 17th ready to serve. On Sunday, the team went to the Beudet church for worship. The church was filled as Pastor Paul Van Maaren (*above*) preached a powerful message. The service set the tone for the important week ahead.

While the first team was at Ti-Goave, a team of medical professionals saw more than 500 people at the campus clinic and in outlying areas. The team saw several who were

seriously ill. The medical team finished their week at Ti-Goave. Below, Rosemary Lewinski prays with a lady at her station. We must never forget that we have to rely on the Lord as our Great Physician.

When we first visited Ti-Goave ten years ago, the tiny congregation was meeting in an open building.

Partnership In Missions

Team Gives Food To 300 Families

While the construction team worked on the new church, a distribution team gave beans, rice and cooking oil to more than 300 families. The team raised more than \$6,000 to buy food. Families from the school, church and community received help. We want to thank everyone who made this distribution possible.

How You Can Help

The Child Sponsorship Program opened the door for us to begin working at Ti-Goave ten years ago. Through the support of sponsors, we have been able to build and finance this ministry.

This month we mailed your Contribution Statement for 2014. Thank you for giving so graciously to Mission To Haiti. If you have any questions about your statement, please let us know.

Sponsorship is \$420 annually or \$35 a month. Only eternity will reveal how much is accomplished through your gifts. Your faithful contributions bless the lives of thousands of needy people.

The simple structure was quaint but hardly adequate for the growing congregation. The small school also met in that building. Pastor Brucely asked Mission To Haiti for help. We began by sponsoring children for school. Today, the Ti-Goave school has grown to more than 700 students.

The meeting place they use now was put together with hand-cut lumber and tin. Often members and visitors must stand outside to participate in the service. The new church building will be well constructed and able to accommodate strong growth.

We appreciated the teams from Sheldon, Iowa and Chicago, Illinois who raised the funds and brought the teams. We will share more about the teams in the March newsletter.
