

# The VISION

*"Where there is no vision, the people perish ..." Proverbs 29:18*

*The Monthly Newsletter of Mission To Haiti*

June 2015/Number 426

## Thank You For Helping Us

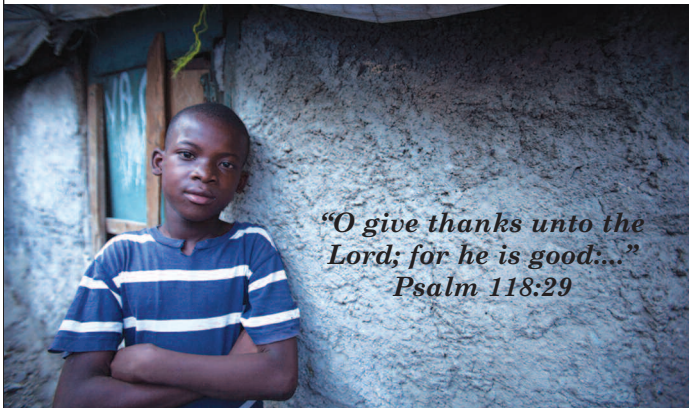

On one of our trips to Joineau last year, we got stuck in a deep muddy hole on our way to the school. As much as we tried, we could not work ourselves free.

Within a few minutes, people from the village came to see what was happening and help us get unstuck. A team of farmers pushed the Toyota forward and backward, but nothing seemed to work. Finally, we decided to put rocks under the tires which would give the wheels traction. The men got on the side and pushed with all their might. This lifted the vehicle which allowed one of the men to slide rocks under the tires. Within a few minutes, we were on our way again.

Right now, we need your SPECIAL HELP. The cost of doing business in Haiti continues to increase. Fuel, materials and basic services are costing more. We need your special help to underwrite the operating costs of this ministry.

We have two Toyotas which are in dire need of repair. Our Mission Campus electrical system is operating at maximum capacity trying to meet the growing needs of the teams and our Haitian workers on the field. We want to continue moving forward with the ministry, and we need your help. Thank you.

*"O give thanks unto the Lord; for he is good..."  
Psalm 118:29*

## Mèsi Sponsor Mwen

*"Thank you my sponsor!"* This is one of the most common expressions we find in children's letters. It is the way children convey their feelings of gratitude and sincere thankfulness to their sponsors. Your prayers and support link you with a child who is changed because of your love and concern.

When you give your sponsorship of \$35 a month, your child has a reason to be thankful. Thank you for giving and for making this ministry possible.

Mission To Haiti is a 501(c)3 organization. Your donations are tax deductible.

# Partnership In Missions

## April Team Rebuilds Mission House Porch

The April Team came to Haiti with a primary goal in mind: to rebuild the screen porch on the mission house. The porch which wraps around the front and side of the mission house has become a favorite place for afternoon fellowship and morning quiet times.

The old wooden structure was falling apart and needed to be replaced. We shipped aluminum framework from the States, and the team rebuilt and rescreened the porch. It is once again an inviting place to be. We thank the team for doing a great job and serving the Lord through their time and talents.

## Chris And Bonnie Webb Visit Churches In June

Chris and Bonnie will be heading out this month to visit churches and supporters. They will be sharing about the work in Haiti and enlisting new sponsors and teams. They plan to go to Texas, Oklahoma, Arkansas and Missouri.

Please keep Chris and Bonnie in your prayers as they travel and share about the ministry. If you would like for them to plan a visit to your church or group, please let us know. Thank you.

*Chris and Bonnie stand with Chuka, a widow who survives by making and selling home-made peanut butter.*
