Your Offerings Make A Real Difference

Thank you for your offerings to repair the well at Gallette Chambon. The well which had gone dry is now working and providing clean, fresh water for the school, church and community.

Your special offerings make a real difference in the lives of children and their families. When we visited Gallette Chambon, the children were excited to show us the new well. They depend on your regular support and your special gifts. Thank you for giving.

Chris And Bonnie Webb, Your Missionaries To Haiti

Chris and Bonnie are on the road visiting churches and supporters to share about the ministry of Mission To Haiti. In the life of a missionary, making trips like this is called "deputation." Visiting churches and sharing the news from the mission field started with the Apostle Paul. After his journeys, Paul would return to tell about the great things that God was doing.

In the spirit of the early church, Chris and Bonnie are sharing about the lives that are being touched through the Haitian churches, schools and the medical clinic. They are raising support for their work with Mission To Haiti, and enlisting supporters to join them in this ministry. Please keep Chris and Bonnie in your daily prayers. Your prayers and support are very important.

Mission To Haiti is a 501(c)3 organization. Your donations are tax deductible.

Partnership In Missions

Letter From The Director

I would like to take this time to thank you for praying and supporting Mission To Haiti. Your prayers and financial support impact this ministry on the mission field.

After the earthquake in 2010, the world was focused on helping Haiti rebuild from the devastating disaster. Many organizations put much effort into providing relief to families who were displaced. Five years later, a number of these organizations have completed their projects and have left Haiti. They accomplished much, but today, their focus has change.

For Mission To Haiti, our focus is unchanged.

Our friends and supporters from the United States and Canada have much to offer the Haitian people through the work of the mission teams. Your abilities on the construction site, in the medical clinic or at the pulpit are greatly needed. You are helping the Haitian people improve their quality of life and find lasting hope in the Gospel of Jesus Christ.

I believe that Haiti will be changed by the Haitian people. Equiping young people with knowledge, wisdom and the power of the Holy Spirit will make a lasting difference. Sponsorship is the best way to make this happen. Look at the picture of the sponsored children on the front page. In a few years, these young people will be leaders in their community. The difference they make will be tremendous.

If you sponsor, you received a statement with this newsletter. It shows your sponsorship payments from January 1 through May 31. Please review it. If you missed some monthly payments, please send those to us for your sponsored child. If your annual sponsorship is due, please send that for your child as well. You can pay on our website and also set up a recurring automatic payment.

This is an important time to be serving in Haiti. We must have your financial support as we continue to minister to the Haitian people. May God bless you.

In Christ,

Bill Jr.
