## Committed To Serve

Before 6:30 a.m. on Monday morning, the November Team was packed in the rented vans and ready to leave for two days in Ti-Goave. It is always exciting to work at the outlying schools. It is also needed. This was the first time the Dental Team went to Ti-Goave overnight which gave them the opportunity to help many more children.

Dr. Chad Brown and Dr. Shawn Peterson along with hygienists from Dr. Brown's office in Sheldon, Iowa brought portable dental

equipment to apply sealants, fill cavities and do general dental work that the children needed. We have more than 200 sponsored children at Ti-Goave and Delatte which kept the team very busy.

While at Ti-Goave Chad and Heidi Brown (left) had the opportunity to see their sponsored girl, Shelda. She was being raised by her elderly grandmother. But this past year, Shelda's grandmother

died, leaving her without a stable home life. Through the help of Pastor Bruceley and the support of Chad and Heidi Brown, Shelda found hope. The impact that Sponsorship can make is indescribable.

*We wish you a Merry Christmas and a Happy New Year*

## We Need Your Help To Finish The Year

## Special Gifts At Christmas

Christopher distributes gifts that sponsors give for their children. A popular gift is food. In November, Parker and Carter Nissen helped Chris prepare and give out family packs of food. A pack of rice and beans is a wonderful present for your sponsored child at Christmas. For \$25 you can bring joy and comfort to your child and their family. You can give a gift of food on our website.

To date, we have received \$1,270 to redig the well at Joineau. We need another \$3,230. We also need help with Christmas parties. We received \$100, but we would like to collect more to divide among the schools later this month.

Thank you for giving graciously to Mission To Haiti. We believe that sponsoring children will raise up a generation of young people who will bring lasting change to Haiti. When you sponsor a child, you help make this change happen.

While the Dental Team was hard at work, Heidi Brown and the VBS Team held Bible school at three of the schools. They taught the children memory verses including John 3:16. Children who memorized the verses received a French New Testament. They were so proud to receive it.

The November Team also held pastors' conferences and sewing classes for vocational students. We will share more about them in next month's newsletter.

*This work in Haiti is made possible because of your faithful prayers and support. Your special gift at this time will help us finish the year and be ready for 2016. Your Sponsorship Statement this month includes your payments through November 31. Sponsorship for the year is \$420. Thank you for your faithful support.*
