Breathing New Life Into Haiti

Ezekiel (*below*) began attending the Bonnette school when he was a small child. His parents were not able to pay his tuition, so they asked for help. We were able to find a sponsor for Ezekiel which allowed him to stay in school. It was during this time that he got saved. When he completed his education, he was hired as a teacher at the school. This year, Ezekiel became the new principal at Bonnette! Sponsorship transformed his life into something very special.

Recently, we held a food distribution at Bonnette. One of the last people to receive food was an elderly woman who struggles to walk. Our Haitian partners made sure that she received beans, rice and oil.

Many of our children and families are still living with the effects of Hurricane Matthew. Ezekiel and the school teachers helped to organize this distribution to almost 150 families. His leadership is a blessing to us and the people of Bonnette.

Ezekiel 37 is one of the most beloved passages in the Old Testament. In it, God promised to breathe new life into the nation of Israel. The last few years have been difficult for the Haitian people. At times, these difficulties have taken all their strength. But God's promises are still true! The Haitian people are trusting in God's power of restoration!

"Thus saith the Lord God unto these bones; Behold, I will cause breath to enter into you, and ye shall live:" Ezekiel 37:5

Thank you for your faithful prayers and support which have sustained us and the Haitian people. We wish we could tell you about all of the lives that your support is impacting because there are many. *Your end of the year gift will help us complete the year and begin 2017 at full strength. Thank you for helping us transform Haiti one person at a time.*

We wish you a Merry Christmas and a Happy New Year

Partnership In Missions

Thank You For Giving To Our Founders' Challenge

Thank you for contributing to our Founders' Challenge this year. Through your gracious support, we received \$73,667!

We began the Founders' Challenge this year with prayer. We asked the Lord to show us how we should address funding this important part of the ministry. The Lord led us to share with you our need for operating expenses through the Founders' Challenge, and your response was tremendous! Your financial support allowed us to move forward this year with great confidence, knowing that we have the finances to accomplish the work at hand.

Thank you for making this ministry possible! Your prayers and continued support fuel our efforts. Because of that, we have much to look forward to in 2017. May the Lord bless you and give you a blessed Christmas and New Year.

Christmas For Our Haitian Partners

This month, our Haitian partners and their families had a Christmas fellowship. They are a wonderful group and we appreciate all they do for the work. We would like to give our Haitian partners a monetary gift for Christmas, but we need your help. Anything we receive will be divided among them. Thank you for your gifts!

Important Updates

The January Team is planning to go to Haiti 14–21. *The emphasis will be medical.* There are children and families where we serve who are still suffering from the effects of Hurricane Matthew. If you can join us, please let us know ASAP. You can fill out a team application on the website. Thank you for helping!

If you would like to provide your sponsored child with a gift this Christmas, food is the best gift. A family pack of food is \$25 and it can be bought on the website. Food is still a great need! We continue to distribute beans, rice and oil. Your offering for food is greatly needed and appreciated. Thank you for giving!

On November 20, the Haitian people elected a new president. His name is Jovenel Moïse. He is a business man who makes his living exporting bananas. He won with 55% of the vote. The inauguration is planned for February 7, 2017. Please keep Haiti and the new president in your prayers. Thank you for praying!
