Our Founders' Challenge

Founders' Challenge offerings allow us to operate in Haiti and impact countless people with the Gospel. Our Mission Campus receives hundreds of people each year for sponsorship, food distributions, the medical clinic and teams.

This year, we will need \$50,000 to pay the Operating Expenses of working and serving in Haiti. Your offering for Our Founders' Challenge will yield great returns! Thank you for your generous gifts.

Love,
Bill and Ann

Dear Friends, on Mother's Day this month, I will celebrate my 84th birthday. Ann's birthday and mine are a few months apart. It seems like only yesterday that we arrived in Haiti with nothing but a call from the Lord and a vision to bring the Gospel to the Haitian people. Now 38 years later, hundreds of children are being fed, educated and lovingly cared for through the Sponsorship Program.

In Ecclesiastes 11:1 Solomon wrote, *"Cast thy bread upon the waters: for thou shalt find it after many days."* When we invest in God's work, the return we receive will go beyond us. Ann and I are blessed to be an ongoing part of this work. We are thankful to know that a new generation of young people are in place to continue this ministry. Thank you for making this work in Haiti possible.

Partnership In Missions

The March Team Gets An A+

For several years, we have been wanting to bring Christian educators to Haiti to provide training and assistance for the teachers at our schools. In March, we brought a group from Florida Christian School in Miami during spring break to kickoff this new effort. A group from Plantation Baptist

Church and others joined the team, as well as Pastor Tony Hammon from FACCS. The group collected school supplies to give every teacher and student at the Beudet school. They also raised funds to provide 270 family packages of food. The impact on the school and village was great!

The team came to Haiti for four days and accomplished much. The group from Florida Christian has begun to plan for next year.

If your church or school is looking for an opportunity to make a great impact for Christ, consider organizing a summer or spring break trip to Haiti!

Vocational Graduates Need Help

In July, the next class of vocational students will graduate. They need \$650 for the graduation and project materials. It is a great program! Thank you for helping.

Team Dates

May 13–20, 2019
June 8–15, 2019
July 13–20, 2019
August 5–12, 2019
