## Evening Of Vision: The Medical Clinic

Some of our earliest trips to Haiti had medical teams. In Matthew, Jesus told His disciples, *"And as ye go, preach, saying, The kingdom of heaven is at hand. Heal the sick..."* Jesus healed the sick. We should too.

If you participated in the Evening of Vision last year, please consider giving a similar size offering this year. Giving an offering for the medical clinic will help expand our medical ministry and broaden our ability to reach children and families with the Gospel of Jesus Christ.

This year, we have decided to postpone our Evening Of Vision Gala that we hold at this time of year. In lieu of the event, we would like everyone to consider giving a one-time offering for our campus medical clinic.

Last year through the event, we received \$23,000 from the ticket sales, donations and the silent auction. With that same amount this year, we could add much needed equip-

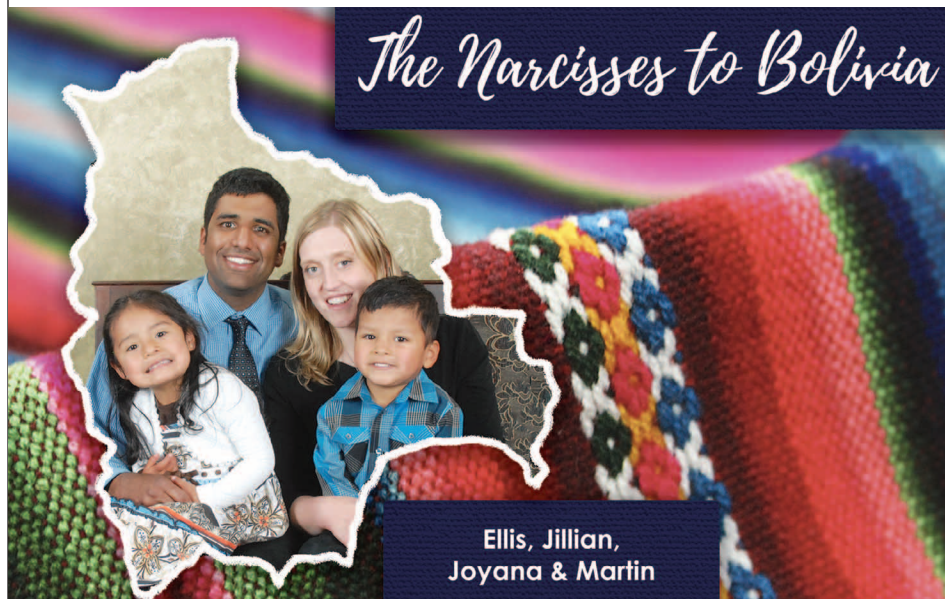

ment to the clinic and expand our capabilities. Suzanne, our Clinic Supervisor, has asked for new equipment for examinations. The clinic crew has asked for basic lab equipment so that certain diagnoses can be made more quickly. We need a Haitian dentist who can come to the clinic on a regular basis to provide dental check-ups and repair teeth. Many Haitian children never see a dentist.

You can give for the Medical Clinic at [missiontohaiti.org](http://missiontohaiti.org)

# Partnership In Missions

## Dr. Ellis Narcisse Jr. Memorial Offering

Last month we shared with you the story of Ellis Narcisse III. Ellis and his family are full-time missionaries to Bolivia. On Saturday, September 28, Ellis plans to run a marathon to raise money in memory of his father who served as a dentist on our medical teams.

*Thank you for the donations you have begun to send. We will use these memorial offerings for the medical and dental clinic. If you have not given yet, please consider giving a special offering in memory of Dr. Narcisse. Next month, we will give you a report on how Ellis III's marathon went. Thank you!*

## Thank You For Your Offerings For School Desks

We received \$2,150! We have identified other sponsored schools who need desks too. We will use these funds to build new desks for the Lestere school and our schools who need them. Thank you for giving so graciously. Your support is a blessing.

## Mission Team In Haiti

This month's Mission Team is planning to go to Haiti September 30–October 7. The team will be holding clinics at the schools. They will also be making needed repairs at the mission campus. We will give you an update next month.

## Team Dates

Sept. 30–Oct. 7, 2019  
November 15–22, 2019  
February 1–8, 2020  
March 20–23, 2020 (full)  
March 25–28, 2020 (full)

## Ministry Updates On Our Founders' Challenge And Food Distributions

Thank you for your continued support for Our Founders' Challenge. This is an important part of operating well in Haiti. So far, we have received \$24,905. Our goal for this year is \$50,000.

These offerings keep the ministry in Haiti moving forward and undergird the work. Thank you for making this ministry possible.

During the mission team this month, we hope to distribute more food to the school children for their families.

It costs \$4,000 to conduct a special food distribution for families at one of our schools. These distributions are a tremendous help. We have 9 more schools to go. Your special offering helps when help is needed most.
