Our Founders' Challenge

Bill Sr. and Ann Nealey

How You Can Help

Your prayers and support for this ministry are a crucial part of this success. Since it began, our Founders' Challenge fund has given us the resources we need to operate on the field.

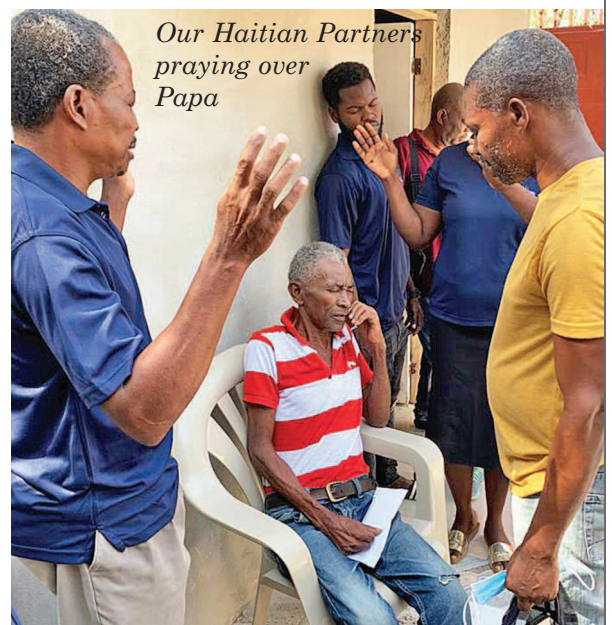

This year, we will need \$65,000 to cover our Operating Expenses in Haiti. These funds allow us to accomplish everything else that we do in Haiti. Your offerings large and small are greatly needed and greatly appreciated. Thank you for giving so generously!

Love, Bill and Ann

Dear friends, Ann and I want to thank the Lord that we are doing well and remain safe from the affects of COVID-19. Thank you for praying. Like the rest of the world, Haiti has taken measures to prevent the spread of the Coronavirus. We are helping in this effort. We raised funds and bought hand washing buckets to distribute to our schools, churches and families, and we will continue to do that.

We know that God is using this time of crisis to accomplish something greater. At Easter, our Haitian Partners went to see Papa who works on our construction crew. Papa has been in poor health for some time. The group prayed for him and used that time to talk with him about his soul. Papa heard the Gospel many times, but would not make a decision to accept Christ. But on that day, he did!

Mission To Haiti uses much of its resources to meet the physical needs of the Haitian people, but our most important work is seeing souls saved for Christ.

Partnership In Missions

Food Has Been Given, More Food Is Needed

For the past month, school has been suspended in Haiti because of COVID-19. In April, we used the funds that provide the school meals and bought beans and rice for the sponsored children. Our sponsorship crew went to each school and gave the children food to bring home to their families. The response from the families was incredible.

We have many children who attend our schools who are not sponsored. Their families have been affected financially by the Coronavirus too. We would like to give food to these families also.

It will cost \$2,000 per school to provide food for the remaining families. We have 7 schools who have not yet receive food from the effort we started last year. Your special offerings will be a blessing to many. Food is so important. It is no wonder why Jesus identified His life-saving power with food. In John 6:35, Jesus said, "I am the bread of life."

How Is My Sponsored Child?

For the past month, our clinic crew has been visiting schools and checking the sponsored children. In particular, they have been checking to see if any child is sick or has a fever.

Presently, none of the sponsored children have been infected by COVID-19. If you have any questions, please email Chelsea at cnealey@missiontohaiti.org

School Books For Your Sponsored Child

We are continuing to receive offerings from sponsors to buy school books for their sponsored children. We are still on track to purchase the school books in time for the new school year in September.

It costs \$50 to buy a set of text books in Haiti. We would like to ask you to give \$50 so your sponsored child can have their own set of books. When school begins in September, we will deliver the books to your child and get a picture of them proudly holding their new books. Thank you for giving.

Team Dates

June 10–15, 2020

August 12–17, 2020

We cancelled our spring teams. We hope to resume the teams this summer.
