You Give Them Something To Eat Matthew 14:16

Parents of school children receiving food

how much the food meant to her and her family. She said, "My father died and my mother is poor. Without your help, I would not know what to do."

We need \$6,000 to distribute food to our three remaining schools. Why is this important? Jesus met needs as the means to open people's hearts to the Gospel. Unsaved families are being drawn into our schools and churches because of the testimony of your support. Please consider giving a special gift for food. The impact will be great!

The feeding of the 5000 is one of the most well known stories recorded in the Gospels. Each Gospel records a unique aspect of this account, but the message remains the same: Jesus loves people and He shows that love in a way that matters.

Like the Disciples, we feel the challenge from the Lord to trust Him beyond our limited resources. As we trust Him, He does more than we could imagine.

In September, we distributed 500 packages of rice and beans. We gave food to the Vocational students, widows at Beudet and the school families at Cazeau and Ganthier. That does not include the 190 packages of rice and beans that were given by sponsors for their children.

The impact that this food has on children and families is real. Recently, a child wrote their sponsor to say

Partnership In Missions

Our September Trip To Haiti, Planning For January

Five of us went to Haiti in September. It was our first trip back since the COVID-19 lockdown began in March. Throughout the spring and summer, our work crews were busy keeping up with the sponsored children and keeping the ministry moving forward. When we got to Haiti, we were able to pick up where we left off. We met with our people in order to plan for the coming year.

We would like to plan a small team for January. We have much needed electrical work and carpentry work to be done at the mission campus.

In particular, we would like to have a small medical team to help our clinic crew see children at the schools. We are in the process of finalizing the January dates. If you are interested in coming, let us know so we can finalize our plans for this trip.

Finishing The Year Strong

As 2020 comes to a close, we at Mission To Haiti are mindful of the resources we will need to finish the year. We have been blessed to have great supporters who give sacrificially. We are asking the Lord to give you the resources you need to give Mission To Haiti a substantial year end gift.

We have no debt. We depend solely on your generosity in order to operate and to grow. We are praying that this year's offerings will surpass last year's total. Please pray with us and consider what the Lord would have you to do. Thank you for support!

Our Founders' Challenge: Endurance

On September 20th, Rev. Carlos Corrales went home to be with the Lord after a brief illness. He was 97. Carlos became a board member a few years after Mission To Haiti was founded. Born in Cuba in 1923, Carlos pastored together with Bill Sr. at Westland Baptist Church in Hialeah, Florida. We saw Carlos a few days before he passed away. As always, he asked about our trip and how the ministry was doing. Carlos was faithful until the end.

Your Founders' Challenge offerings allow us to be faithful to our commitments. We have received \$22,656 so far this year. We need \$65,000 to cover our Operating Expenses in Haiti. Your offerings large and small make this work possible.

Rev. Corrales with his daughter Daris

Team Dates

November 13-20

January Medical Team

We are in the process of setting dates for January. Contact us for more info.
