

## We Are Beginning Our 40<sup>th</sup> Year

Sherril and I and our family want to wish you a Happy New Year for 2021. As you can tell by this month's Vision, we have updated our newsletter. This new design matches our website that was updated a few months ago. We hope you will like the new design and find it enjoyable to read.

We are excited to be celebrating our 40<sup>th</sup> Anniversary of serving in Haiti. So much has changed since those early days. Haiti is not the same place it was forty years ago. Today, the population has more than doubled. The physical and spiritual needs are more agonizing than ever. And many young Haitians are feeling that the opportunity for a brighter future has left them behind.

It has not. Mission To Haiti is offering young people opportunities that are working. Our message is the same. Children are getting a Christian education. Young people are learning a trade. Families are hearing the Gospel and getting saved. Your prayers and support make this possible. Thank you!

## Thank You For Your Year End Offerings

As December came to a close, we received the offerings we needed to fund the remaining projects for 2020. Thank you for giving generously!

One of the first offerings that came in was to build more desks for the high schoolers at Cazeau. After we received it, we forwarded those funds to Haiti so the work could begin. As we were preparing this newsletter, the Principal at Cazeau sent us pictures of the completed desks.

We have forwarded more funds to Haiti so that other projects can get started. When we return later this month, we will get updates. We will let you know how these projects are going.

Thank you for giving so graciously. We have much to do in Haiti. Your prayers and support are vital to getting this work done. Thank you!

## Dr. Burgie And Peterson Got Married In December

On Sunday, December 27<sup>th</sup> Dr. Burgie who serves in our clinic was married to Peterson Francis at their home church in Tabarre near Cazeau. Bill Jr. was the Best Man. It was a beautiful ceremony.

Burgie is a sponsorship success story. Her parents, who were at the wedding, are both deaf. They could not afford to send Burgie to school. Beverly Jansma, our Medical Team Coordinator sponsored Burgie at Cazeau. This allowed Burgie to pursue medical school in the Dominican Republic where she became a doctor.

Burgie and Peterson are strong Christians who are active in their church. They are making a difference for the Lord in Haiti. Sponsorship helped make this possible. Thank you for sponsoring!
