

Our Founders' Challenge 2021

Ann and Bill Sr.

Pino and Ronald praying with neighborhood children to be saved

This past Christmas Junior in Haiti wanted to do something special for Bill Sr. and Ann. He contacted a well known artist and commissioned the painting shown above. The entire piece is done in metal. Wilky, the artist, did similar pieces for several Haitian presidents. We brought it from Haiti and hung it in their home in Hialeah.

Below their portrait it reads, "Beloved Founder of MTH." In 1981, Bill Sr. and Ann launched Mission To Haiti with the calling from the Lord to bring the Gospel to the Haitian people. Forty years later, the ministry is reaching hundreds of people with Christian education, vocational training and help of all kinds in order to lead people to Christ.

Recently, Pino had the opportunity to speak to a group of children from our local neighborhood. Our staff has been inviting children into the mission campus to teach them Bible songs and Scripture verses. Pino shared the Gospel with a group of forty children. Five children accepted Christ.

How You Can Help

Our mission campus and Haitian workers are a crucial part of our capacity to serve and enlarge this ministry.

This year we will need \$90,000 to cover our Operating Expenses in Haiti. Your offerings large and small will allow us to serve effectively and accomplish this work. Thank you!

Happy  Easter

Partnership In Missions

Work On The New Well At Guedon Has Started

Bill Jr. with Peterson and Jean,
the well drillers

As we prepare this newsletter, the well drillers are bringing their rig to Guedon to begin drilling the new 200 foot well. Last month, we received the offerings we needed to install the well. We are so grateful for your response to this need. A week later, we gave the well drillers, Peterson and Jean, the deposit to get the well started.

Peterson and Jean told us how busy they have been drilling wells. In March they were drilling wells for the Red Cross in Haiti. The importance of clean, plentiful water cannot be overstated. We will email you updates as the work progresses.

Last month, we gave Pastor Michel Pierre the \$1,000 we received to plaster the inside of the church at Guedon. He still needs \$2,800 to finish the work. Thank you for your offerings.

The Vocational School Graduated 9 Students

On Saturday, March 13 the Vocational School graduated 8 ladies and one young man from their three-year sewing program. It was a wonderful ceremony. Now these young people can earn a living for their families.

This opens the door for others to enter the program. There are students who need sponsors. Sponsoring a Vocational student will help them succeed.
