## How Your Offerings Were Used In 2021

Thank you so much for the resources that you gave to Mission To Haiti in 2021. It is exciting to tell you the things your offerings accomplished in the lives of the children and families we serve.

As the schools and churches began to re-open from the COVID-19 lockdowns of 2020, new needs and opportunities to minister came to light. New homes were built, new wells were drilled and

much needed food was distributed to families striving to recover from the effects of the pandemic.

The most exciting news was that boys and girls were getting saved! In the midst of so much difficulty, children were hearing and receiving the Gospel. Your faithful prayers and sacrificial gifts made this possible. Here are how your offerings were used to accomplish this work.

Child Sponsorship	\$169,153.29
Mission Team and Campus	\$81,098.36
Building and Special Projects	\$74,874.65
School Meals and Food Distrib.	\$83,256.62

## Meals Are Changing Children's Plans

The expanded school meals continue to have a significant impact, not only on the children in the schools, but on the surrounding community as well. A good example of this is at the Cazeau school.

Funds from the expanded school meals have increased Cazeau's meal capacity. The school kitchen is able to provide more food more consistently. Special offerings were given to buy new bowls, spoons and cups.

Most schools in Haiti do not provide food. Since Cazeau has expanded its meals, they are the center of attention in the community. The expanded meals are causing new families to consider the Cazeau school. This means more children can be sponsored and hear the Gospel.

The schools need \$2,000 a month to continue expanding this vital ministry. Thank you for giving!

## Mission To Haiti Has Stories That Need To Be Told

God is moving Mission To Haiti to expand the way we share how He is transforming the lives of the people we serve. We want to tell you in greater detail all the wonderful things God is doing through Mission To Haiti. The monthly newsletters and emails continue to be effective methods to keep you updated on what is happening on the field. However there are wonderful stories of God's transforming power that the newsletters and emails cannot fully provide. We will be sharing with you more about this in the coming months. Thank you for being such faithful partners and supporters of this work.
