## Prayer Brought Barbara Back Home

This is Barbara St. Germain. She was kidnapped and then released through prayer

The devil has been persecuting Christians from the beginning. In the early church, Herod Agrippa imprisoned Peter for his outspoken faith. Herod thought he could stop the church, but prayer is more powerful. Acts 12:5 says, *"Peter therefore was kept in prison: but prayer was made without ceasing of the church unto God for him."*

Prayer got Peter released, and prayer got Barbara St. Germain released too. Barbara is the daughter of Peterson St. Germain, the Principal of the Cazeau school. Barbara is a typical teenage girl in Haiti. One afternoon last month, she was going home from a summer class she attends. She called her dad to let him know

she was on her way back. It takes a series of tap-taps to get home. However, Barbara did not make it home. The family later learned that she was kidnapped by a gang.

That evening Peterson began getting strange phone calls. He believed it was the kidnappers trying to reach him, but they said very little. Peterson contacted the police, but there was little they could do.

Peterson has been doing a great job as the Cazeau Principal. The school is growing. The children are eating well through the Expanded School Meals. Peterson and his teachers are sharing the Gospel with all the children. As a result, children are doing well and coming to a saving knowledge of Jesus Christ!

When Barbara was kidnapped, Peterson and his family quickly mobilized their church and Christian friends to pray for her release. Junior contacted the MTH staff to ask us to pray. The prayers did not cease.

Three days later, we got the wonderful news that Barbara was safely home. From what she described, the kidnappers began arguing amongst themselves. In the midst of their confusion they let Barbara go. Peterson is convinced that prayer caused this to happen.

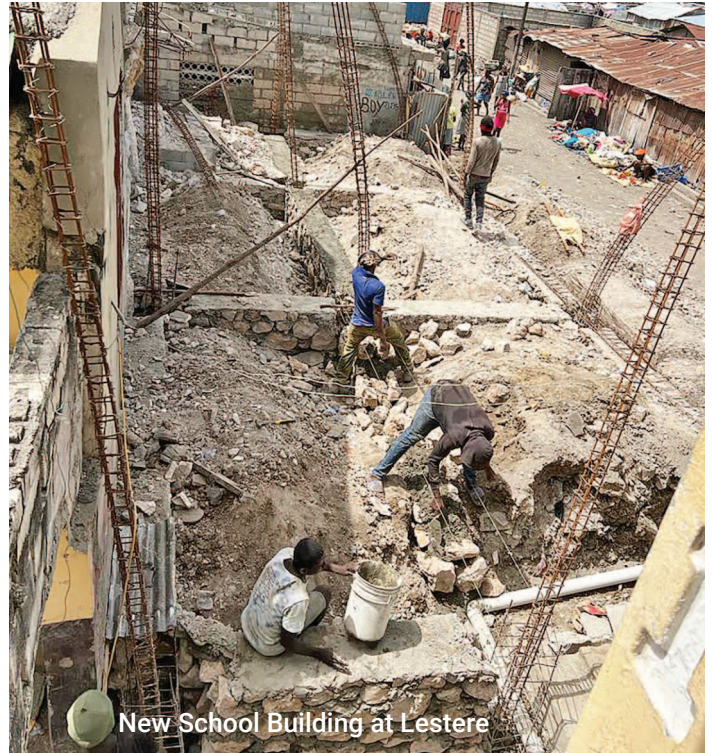

We depend on your faithful prayers to do this work in Haiti. When you pray for the staff, children and families, the Lord hears your prayers and responds in a mighty way. Please keep us in your prayers. They are making a real difference!

## The New Lestere School Needs To Be Completed

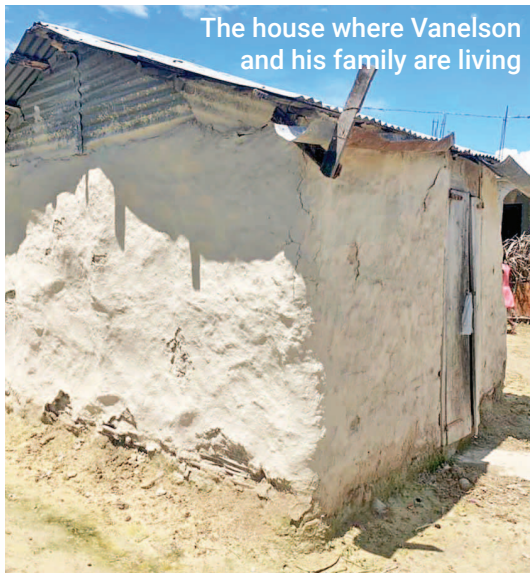

Pastor Junior and his work crew have been busy on the new school building this summer. The old outhouses were filled in and the new foundation has been installed. The new building will have bathrooms and classrooms. The back wall of the property had to be taken down in order to install the foundation and make sure every available space is used. The security wall will be rebuilt as the new building goes up.

Pastor Junior needs \$9,000 to complete the first floor in time for September. This is the beginning of Pastor Junior's vision for Lestere. When all three floors are finished, children at Lestere will be able to stay and complete their schooling there. These young people will remain to build up their church and community for Christ. Your offerings will make this possible. Thank you!

## Vanelson Needs A New Home

The house where Vanelson and his family are living

Offerings have come in to help Vanelson and his family build a new home at Joineau. Vanelson's sponsors, David and Kelly, sent a large offering, and other offerings were given as well, but more is still needed.

The family needs \$5,700 in order to build their new home. The home will have two rooms and porch and be built on a raised floor. We want to help families improve their circumstances. Your support helps greatly!

*Thank you for your offerings for the Operating Expenses. We love being involved in all kinds of projects that help families and deliver the Gospel to children. Your support for the Founders Challenge and Sponsorship allows our Haitian Partners to consistently do their best for you, the sponsored children and our Lord and Savior. Thank you!*
