

We Can Do All Things Through Christ

Sherril and I and our family want to wish you a Happy New Year for 2023. Thank you for giving so generously in 2022! In many ways, it turned out to be a challenging year for Haiti. Many of these challenges were created because of the gangs. Their activities hit a crescendo when they stopped the flow of fuel in the country. Prices on the most important commodities jumped. We even heard of ministries which suspended their presence in Haiti because of the impact of the gangs.

By God's grace, Mission To Haiti is still active in Haiti. We owe everything to God's protection and provision. When the Apostle Paul faced changing circumstances, he discovered the secret to having a fruitful ministry. In Philippians 4:13 he said, *"I can do all things through Christ which strengtheneth me."* Your faithful prayers made it possible for us to navigate through these difficult circumstances and deliver your support to those in need. The Lord has kept the door open for Mission To Haiti to keep working and moving forward. Your continued prayers and financial support fuel these efforts and deliver divine results for the Kingdom. Thank you for all that you do!

Roseberline Has A New Home

Mackendy, our engineer and former sponsored child, oversaw the construction. In less than a month, the new home was done. Pastor Junior said that the family is so pleased. He said this new home is a testimony to the community of God's blessings. We pray this new home will be the open door for more people to hear the Gospel and be saved.

In the midst of Haiti's unrest last summer, Pastor Junior contacted us about a special need at Lestere. Madam Charles, a faithful member of the church, was stranded with no place to go. She and her two small children were living in a rented house that was quickly falling apart. Her husband died unexpectedly in 2021. Her only recourse was to turn to the church. Likewise, Pastor Junior came to Mission To Haiti.

Thankfully, her daughter Roseberline is sponsored! We contacted Kevin and Shanna, and let them know about the situation. They were eager to help. In the midst of deciding what to do, we discovered that Madam Charles owns a small piece of property within walking distance from the church and school. Kevin and Shanna prayerfully decided to help the family build a new home.
