

## How Your Offerings Were Used In 2022

Thank you so much for the offerings that you gave to Mission To Haiti in 2022. Your prayers and support which you give so faithfully have been a great encouragement.

Last year Haitian families experienced added difficulties because of insecurity. This affected the price of food, gasoline and most everything else. In times of trouble many families turned to Mission To Haiti.

Since 1981, we have lived through political coups, embargos, natural disasters and unrest of all sorts. What kept us planted in Haiti and moving forward is the Power of the Gospel. In 2 Timothy 2:9, Paul wrote, *"...the word of God is not bound."* This gives us the liberty to use every means possible to keep spreading the Gospel of Jesus Christ. Here is how your offerings were used in 2022:

|                                |                     |
|--------------------------------|---------------------|
| Child Sponsorship              | \$163,358.13        |
| Mission Team and Campus        | \$88,238.55         |
| Building and Special Projects  | \$66,203.46         |
| School Meals and Food Distrib. | \$86,448.00         |
| Sponsorship Clinic             | \$28,334.72         |
| Special Needs                  | \$43,521.62         |
| Sponsorship Gifts              | \$73,575.55         |
| General Operations             | \$162,376.98        |
| Missionary Support             | \$58,764.43         |
| <b>Total</b>                   | <b>\$770,821.44</b> |

Last year finished strong. This year there is more that needs to be done. *Haiti needs your support!* Together, we can equip more children and young people to change Haiti for Christ. Thank you.

## Marie Joe Needs Her Home Finished

Marie Joe grew up in this spot which is right behind the old mission house. The original home was made of sticks and mud. Early in the morning, we would hear Marie Joe's mother praying and singing hymns. It was this upbringing that shaped Marie Joe's life and made her the godly lady she is today.

Several years ago, Marie Joe's father tore down the old house and began building a new home. He worked

on it as he had the money. But recently, her father decided to give her the home and property. Marie Joe works full time with us. Having her live there will be ideal.

The home needs to be finished and it needs a bathroom and kitchen built. **The work can be done for \$8,200.** Having Marie Joe there will greatly help Mission To Haiti. Please consider what you can give for Marie Joe's new home.

## Your Child Would Love A Gift

If you have not had the opportunity to give your sponsored child a gift recently, now is a great time. The most popular gifts are food and money because they are greatly needed by the family. Our web page **Sponsorship & Gifts** has a list of all the gifts available. Your child will be thrilled to hear from you, and the family will be blessed.
