## I Can Do All Things Through Christ

Children holding Christmas cards from their sponsor, Grandpa Reg. Reg is a long-time faithful sponsor who supports many children.

Recently a sponsored child wrote their sponsor to thank them for a gift of food. The child wrote, ***"I am glad today to get your food gift as my family did not have food for the week. It is a great gift you sent to me. Now I know we will be eating."***

The child continued, ***"Thank you very much for all the things you have done for me. I am not able to send you anything. I believe God is able to provide. Trust in Him and He will meet all your needs."***

When you sponsor a child and send them gifts, those gifts really make a difference. When your child says "Thank you," it truly comes from their heart. Your faithful prayers and financial support are the means God is using to feed, educate and encourage these children to keep going. Thank you for all you do!

The summer Bible schools were a great success. Your prayers and support made 15 Bible schools possible. There were 321 children who made professions of faith in Christ. These Bible schools are a great entrance into the new school year. The children are eager to be back in class. We are planning for 3,000

children to attend Mission To Haiti's schools this academic year. Many of these children still need a sponsor.

Twenty twenty-three has been a challenging year for the families where Mission To Haiti serves. The hardships that families are facing are sometimes too difficult to describe.

Still the truth of the matter is that there is no problem or difficulty too great for God to overcome. For that reason Mission To Haiti has set the theme verse for this academic year to be Philippians 4:13, ***"I can do all things through Christ which strengtheneth me."***

## New Desks And Supplies Needed

New children's desks for the Ganthier school

Christian education has proven to be an ideal platform for meeting needs and introducing children to the Gospel. This is one reason why these Christians schools were started. As children are sponsored, new opportunities to connect with families are made known. As you sponsor and get to know your child better, you become aware of new ways you can help and get more involved.

When Jesus began His earthly ministry, He approached ministry in a complete way. Matthew 4:23 says that Jesus had a threefold ministry: teaching, preaching, and healing. The verse reads, *"And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people."*

This summer, we received a special gift to provide new desks for the Ganthier school. It brought to light the needs that other schools have:

**\$7,200 for 60 new children's desks**  
**\$2,610 for teachers school supplies**  
**\$1,950 for kitchen supplies**

Thank you for being wonderful supporters and helping with all these needs.

## Wilson's Daughter

Wilson is one of our campus security guards. Djoulie is his oldest daughter. When Djoulie was a baby, she had surgery on her right eye which left her permanently disabled.

Recently, disabled high schoolers from Florida asked to sponsor a disabled student in Haiti. Djoulie is now their sponsored child. She is a beautiful young lady. She is excited to attend a Mission To Haiti school. Wilson and his wife expressed how grateful they are their daughter has a sponsor.
