Expanding The Work In Haiti

The Nealey Family

Benaiah James
born December 11

Dear Friends, Sherril and I and our family want to wish you a Blessed and Happy New Year. Thank you for praying and giving so faithfully to the ministry in 2023. We appreciate so much your commitment to support Mission To Haiti and the families we serve. We finished 2023 well and we are ready to begin 2024 with renewed commitment to the work that God has called us.

Twenty twenty-four is shaping up to be a year of new things. First of all, we are excited to have a new grandson, Benaiah James. He is a wonderful addition to our family and a reminder how precious the children are whom we serve. This is also a year of new opportunities. In the midst of so much trouble, God has protected and sustained the ministry in Haiti, especially in the area of the Mission Campus. By God's grace our area has remained calm and quiet. We see this as an opportunity to use the Mission Campus in a greater way. We want to expand the ministry at the Mission Campus so we can help more children and families. **Your prayers and support are a vital part of making this happen.** We will be sharing more in the coming weeks how you can get involved in these new opportunities. Thank you for your faithfulness to Mission To Haiti.

Partnership In Missions

February Crusade At The Mission Campus

Steve Pettit and his Bluegrass ensemble

Children at last year's Campus VBS

We had the opportunity to meet Steve Pettit at a Christian school conference last fall. He had recently launched a new ministry, Steve Pettit Ministries. He and his group are an evangelistic team who use Bluegrass music to preach the gospel. Although Bluegrass is not common in Haiti, the culture has a history of traditional music played on hand-made instruments. Bluegrass is a style of music Haitians can appreciate.

We invited Steve and his team to hold a crusade at the mission campus and they accepted. We set dates for the beginning of February. The plan is to hold four evening meetings and two days of Bible school for children. Pastor Jimmy from the Cazeau church is coordinating with the other pastors in our area to provide support from their local churches and promote this special evangelistic event.

This crusade is a great way for Mission To Haiti to launch the new year. Hundreds of new families and thousands of new people are relocating to the area around the mission campus. Many of them have no connection with a local church, so an event like this has the potential to draw many people. We are expecting hundreds of children and family members to show up.

In order to hold this special event, your special help will be needed. **It will cost \$5,000 to prepare everything and accomplish this event.**

We are asking God to prepare us and make this crusade great. Please begin to pray for the crusade and Bible school that many people will be saved. We believe the results of this event will be felt for months to come. Please pray and give as the Lord leads.
