People You Helped In 2024

The young people pictured above are a snapshot of the thousands of people whose lives got better because of your prayers and support this year.

Twenty twenty-four will be remembered in Haiti for the terrible gang activity that took place. Many people were impacted by what the gangs have done to Haitians. And yet, all this trouble did not stop God's work from moving forward.

Your prayers and support are more powerful than the gangs. Because of your involvement in Mission To Haiti, countless families are living better and have hope for the future. In the midst of this trouble, young people are living their lives and following the dreams God has given them.

There is still so much more to do. These young people need your continued prayers and support. **Your year-end offering will allow us to finish what we started and to keep their dreams alive.**

We Need Your Help To Finish The Construction On The New Preschool

For the past several weeks, workmen have been installing the roofs on the new preschool classrooms and office facilities. It is encouraging to see the new school take shape. Even as the construction continues, families anticipate the opening of the new preschool.

This school represents a new era in the ministry of Mission To Haiti. It will become a home base for all of our partnering schools.

Its program will be a template for all our schools to use as we strive to improve the education, skill and spiritual life of every child we serve. We believe this can be done, but we need your help.

\$20,000 is needed to finish construction on the preschool buildings and complete the new solar well. Our desire is to complete all the work by the end of this month. Thank you!

Sponsorship Is A Great Platform For Reaching Children And Families

Pictured above are elementary children in Cazeau. Some of these children are sponsored. Many of them are not. Over the past year, more families have relocated to the Cazeau area near the mission campus. Also, we have had sponsored children from our other schools to relocate to Cazeau. In these cases, their sponsorship support

transfers with them. We want to stay connected with each of our sponsored children.

This is the perfect time to check where you stand in your sponsorship support. Your child needs your support to continue in school. Contact Viviana at (561) 872-1830 or at bookkeeper@missiontohaiti.org for an update. Thank you for sponsoring and supporting this work.
