

The New Preschool Officially Opens

band playing La Des-salinienne, the Haitian national anthem. Bill Jr. had the privilege of cutting the ribbon. The school yard was filled with children and parents. Special thanks was given to the engineer who designed and built the school.

Two years ago, gangs seemed poised to take control of our community. Today, a brand new preschool stands in honor of the Lord and our sponsors. Thank you for making this ministry possible. Truly the best is yet to come.

On Tuesday, October 7 the Mission To Haiti Academy officially opened. Classes started October 1 in keeping with Haiti's official school calendar. The 7th was the day dedicated to celebrating the launch of the new school and this new ministry on the mission campus. Later, Junior told us the opening of the new school is the talk of the town. The day was filled with events.

The morning started with a service at the Cazeau church. Pastor Jimmy led the service which included the participation of other pastors and Bill Jr. All of the parents and preschool children were invited to attend. Pastor Jimmy preached a sermon of dedication to the new preschool. Later he expressed his commitment to help us with chapel services and spiritual emphases for the children and their families.

Then the children formed a parade. They walked down the street to the gates of the new school. They were met by a trumpet

Partnership In Missions

The Ganthier School Relocated, They Need Help

The Ganthier school has relocated to the neighboring town of Fond Parisien. The area is safe and quiet. Gesner the principal found a large vacant home to rent. For now, it accommodates the student body very well. Classes have been divided among the rooms in the home. Ganthier's new school year is underway.

Thank you for giving to relocate the school. Your offerings have been a great help. **Ganthier still needs \$3,500 to buy what they need to complete this transition.** Their plans are to stay until it is safe to return to Ganthier. That way the sponsored children's schooling will not be interrupted. Thank you for your support.

39 Children Saved At The Vacation Bible Schools

Thank you again for your prayers and support for this years Vacation Bible Schools. They were a great success. Ten Bible schools and summer camps were held this summer. Since school started late this year, some of the Bible schools were held in September. Still, hundreds and hundreds of children and young people attended these special events.

From the reports we received, 39 children made decisions to accept Christ and were saved. Teenagers and even some young adults were saved.

There is a spiritual hunger in the hearts of Haitian young people. Over the past couple of years, Haiti has experienced tremendous change. This change has exposed the need for Haiti's youth to discover God. We prayer this continues.

Pictured below are the 17 children and young people who were saved at the mission campus.
